

CERTIFICATE – Ref. A170004.002

SGS Nederland BV
Malledijk 18
3208 LA Spijkenisse
The Netherlands

Hereby we certify that we have inspected on July 7th 2017 at Holmatro in Raamsdonksveer, The Netherlands, their Power Wedge PW 5624 and PW 5624 ST. We supervised the tests conducted on the Power Wedge according to EN 13204, 2016 edition.

Scope: Rescue equipment
Company: Holmatro Rescue Equipment
Types: PW 5624, PW 5624 ST
Nominal working pressure: 720 bar

Conclusion:

The conclusions of our inspection are the following:

1. All experiments complied with the standard EN 13204, 2016 edition.
2. None of the experiments caused malfunction to the equipment.
3. All the results from the tests were in conformity with the standard EN 13204, 2016 edition.
4. All measurements were conducted correctly and the values were verified.

Classification:

Not applicable, due to the special design and intended use of this tool.

Spijkenisse,
 July 7th , 2017
