

CERTIFICATE OF ASSESSMENT

Report Reference: SA34094-D11-ENEC-Original
File(s) Covered: SA34094, SA10873
Issue date: 2020/02/29

Product: Combi Tool

Issued To: Holmatro

Trademark: Holmatro

<u>Model/Type/Serial Ref.</u>	<u>Designations</u>	<u>Cutting Performance</u>
CT 5150	CK43/380-J-14.8	1J 2J 3K 4K 5K
PCT50	CK43/380-J-20.3	1J 2J 3K 4K 5K

Ratings: 720 bar (10,443 psi)

Investigated By: UL LLC
333 Pfingsten Rd.
Northbrook, IL 60062
United States

Standard(s): EN 13204:2016

Conclusion: * The submitted combi tools, Model CT 5150 and PCT50 did comply with the clauses as evaluated to in accordance with EN 13204. Refer to Report Reference No. [SA34094-D11-ENEC-Original](#) for complete evaluation details.

* - Since EN 13204 does not include battery operated rescue tools in its scope, no agency can certify compliance of any battery operated rescue tool to EN 13204. We can, however, certify that the hydraulic portion of the subject tool(s) has been tested and found compliant with the relevant requirements found in EN 13204 for hydraulic rescue tools.
