BREAKING ALL BARRIERS

FORCIBLE ENTRY TOOL T1

T1

specifications		T1
art. no.		151.001.787
spreading distance	mm	128
max. spreading force	kN/t	33 / 3,4
min. spreading force 25 mm tip	kN/t	26 / 2,7
max. cutting opening	mm	29
theoretical cutting force	kN/t	139 / 14,2
round bar (S235)	mm	18
weight, ready for use	kg	7,7

Multifunctional tool

- The T1 can hammer, cut, spread, lift, wedge and ram. This means you always have the right tool for the job.
- The wedge is detachable, meaning no second person or tool is needed for creating the first gap.
- Having all these functions in one tool also saves weight and space in your vehicle.
- The T1 is a stand-alone tool, so you won't need batteries or an external pump.

Optimized cutting blades and jaw design

- The T1 can easily cut rebar, chain and padlock.
- It can cut up to ø18 mm of round bar (S235).
- You can easily replace the cutting blades when they are damaged.

2-stage pump

- High power transmission means 30 kg of manual force on the pump rod gives you up to 14,2 ton hydraulic cutting force and up to 3,4 ton hydraulic spreading force.
- You will need less energy or breathing air, compared to traditional tools.

Spreading tips

- For opening heavy doors in a controlled way
- The load-holding function makes the tool suitable for lifting and progressive lifting
- You can also use the spreading tips to create space in vehicles.

Compact and powerful

- The patented hydraulic cutting/spreading mechanism of the T1 allows for high cutting & spreading forces in a compact tool design.
- Easy to use in confined spaces.
- Easy to carry and store.

Detachable Wedge

- You don't need a second person or tool for creating the first gap, which makes forcing heavy inward opening doors a one-person job.
- The wedge can also be used for pulling hinges or manually forcing outward opening doors.

Hammer head

- You can use the tool as a battering ram or hammer
- For opening light inward opening doors quickly
- The optimized weight of 7,7kg makes the tool light enough to carry and heavy enough to do the job

ACCESSORIES T1
